

# Bovie®

## SPECIALIST|PRO

### *Electrosurgical Generator*

The Bovie® Specialist Pro is the electrosurgery solution for in demand physician offices and specialty facilities. Designed to operate like an operating room generator in a compact lower watt package. The multipurpose unit is ideal for monopolar and bipolar office surgical procedures.

The Specialist|PRO offers 5 common energy outputs controlled by the new sleek, push-button design, with up to 120 watts of power. The modalities include Cut, Blend, Coagulation, Fulguration and Standard Bipolar.

Industry-standard connections allow for use of a variety of monopolar and bipolar accessories providing energy versatility across a variety of specialties such as OBGYN, Urology, Plastic Surgery, Dermatology, ER and more.

Bovie NEM™ neutral electrode monitoring increases patient safety by ensuring proper pad connectivity during procedures.

The Bovie Specialist|PRO is backed by the unmatched **4-year manufacturer warranty**, offered only by Bovie.

***Efficiency, Versatility, and Safety ...***  
*Designed benefits for you and your patients*
