**Mobility and quality have
now become *one*. The HEINE
DELTAone dermatoscope.**

Small on the outside. Big on the inside.

Diagnostic precision meets mobility. The HEINE DELTAone is a winner with medical professionals on the move. With its compact dimensions, it is the perfect companion without compromising excellent colour rendering and a true field of view of 21 millimetre. Image quality has never been so mobile.

DELTAone Standard Edition (black-silver) with contact plate with scale, USB cord with medical approved plug-in power supply, case

K-210.28.305

DELTAone White Edition (white-silver) with contact plate with scale, USB cord with medical approved plug-in power supply, case
