

# Additional accessories

A wide range of optional accessories complements the application spectrum of our operating tables.

For central storage of accessories we offer a trolley (art.-no. 341045) made of polished stainless steel.

Further accessories can be found in our brochure "Accessories for operating tables".

# medifa

## Competence around operating rooms

medifa, as a leading international manufacturer of medical devices, offers innovative solutions and products for operating rooms, mobile hybrid surgical systems and other areas in hospitals or ambulatory surgical centers.

The vast product portfolio includes mobile operating tables and surgical accessories, mobile carbon operating tables, operating lights (medifa H!Light) as well as examination and treatment chairs for gynecology, urology and proctology.

Development, design and production take place in Germany. With a large share of value added in the group of companies, medifa guarantees its customers fast response times and high quality „Made in Germany“ in accordance with certified national and international quality standards.

medifa is consistently oriented towards the requirements of its customers. In line with the slogan "we care", customers from all over the world can rely on top-class consultation, processing and quality from a single source.
