- Power consumption: 2,100 watts

Starters Package contains:

- Pro Line sterilizer Vacuclave 118 (17L)
- Trayholder
- 3 trays

Powerful class B vacuum procedure

Reliable sterilization of up to 6 kg on 5 trays in only 15 to 28 minutes (plus drying) - made in Germany.

Smart-Touch Display with LED status

Touchscreen with intuitive user interface for simple operation like your smartphone - even with medical gloves.

Connectivity and data logging

Compliance with legal requirements by saving the sterilization parameters via USB or network.*

Stand-alone device concept

Integrated water tanks and highly effective air cooling for site-independent operation without cooling water.

Power Save energy saving mode

Heater and display go into standby mode between sterilizations for top energy efficiency.

EasyCareroutine concept

User-friendly optimizations for efficient filter replacement, tank cleaning and water supply.
