

Examination table with electric height adjustment ETSXL-E S-line NOVAK M

2-section examination table with extra-long back section (91cm), electrically adjustable in height from 47cm to 94cm.

The head section is manually adjustable by means of a hydraulic spring from -27° to +84°.

Perfect for general or specialized examinations

- The simple and clean design is the distinguishable feature of the S-line examination tables
- Two-, three- or four-section tables allowing different patient positions
- Patient safety and comfort is ensured by 6 or 8 cm thick padding finished at a right angle providing a wide lying surface.
- A variety of available accessories will fully support the medical staff during general and specialized examinations
