

Examination lamp Dr Mach LED 115C

60,000 lux
Fixed focus
Light color adjustment

Innovative

The multiple lens system with facets ensures the least shadowing and absolute homogeneity. The computer-calculated and optimized lenses create razor-sharp light fields, improve the contrast effect and thus increase the recognition of detail in the wound field

Effective

Powerful LED technology reduces thermal radiation to an almost imperceptible minimum

Hygienic

The high-quality materials offer you security and prevent the penetration of dust, dirt and liquids

Dermat Medical Supplies is an official partner of Dr. Mach and has its own team of certified placers who have been trained by the fabricant
