

Disposable tape measure for head circumference in practical wall dispenser Seca 211

Precise. Precise measured values can be read off immediately.
Comprehensive. Measuring range from 5 - 59 cm.
High-quality. Hygienic disposable measuring tape made of high-quality paper prevents cross-contamination.
The seca 211 tape measures are user-friendly designed and easy to read with clearly visible measuring points to guarantee precise results. The strength of the tape is optimal for easy tearing off and replenishing. The measuring tapes are recyclable and therefore environmentally friendly. The wall dispenser can be easily installed anywhere.
