

Baby measuring rod with large calipers Seca 207

For precise measuring when baby is lying down.

Fixed headpiece and smooth sliding foot positioner seca 207 space saving and mobile.

Attachable to changing table or for wall mounting.

Foldable calipers for easy storage.

The measuring rod can be firmly screwed to the changing table (wall mounting also possible) or used as a mobile rod. Large head and foot positioners make it easy to determine the length and the calipers fold for ease of storage. Made of aluminum for durability.
