

Analogue ruler for baby scales Seca 336 i and 336

Measurement values are easy to read thanks to improved colour markings.
Includes head and foot positioner.
Durable aluminium measuring rod.
Scratch-resistant longitudinal bar manufactured using a high-quality screen-printing process.
As easy to install as it is to read the display: the analogue measuring rod with integrated head and foot stop makes the seca 336 i and seca 336 even more efficient, because measuring and weighing are now done in one go.
